

Piglet's rainy-day test

O teste de chuva do porquinho

Two leaves. One rainy experiment.

Duas folhas. Um experimento de chuva.

Plain paper

Papel sem pintar

Wax crayon: cover this leaf

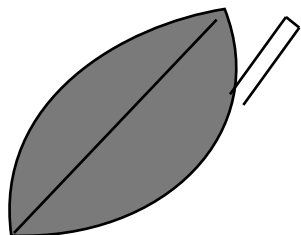

Giz de cera: cubra esta folha

Cover one leaf fully with WAX crayon. Tray underneath.

Cubra uma folha com GIZ DE CERA. Use uma bandeja.

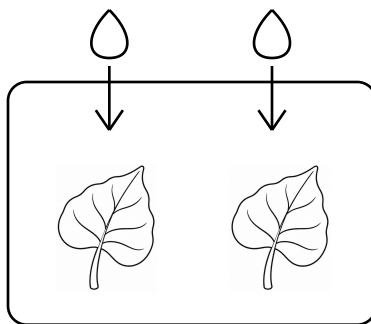

What will the drops do? O que as gotas vão fazer?

1

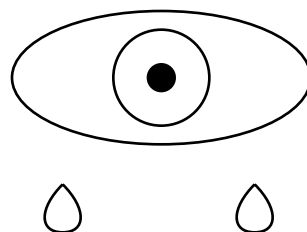

Press wax crayon firmly.
Pressione bem o giz de cera.

2

2 drops on EACH leaf.
2 gotas em CADA folha.

3

Look. What changed?
Olhe. O que mudou?

Before: point to your guess. After: circle what you see.

Antes: aponte seu palpite. Depois: circule o que vê.

Plain leaf

Folha sem pintar

Drops stay up
Gotas em cima

Paper gets wet
Papel molhado

Wax-colored leaf

Folha pintada com giz de cera

Drops stay up
Gotas em cima

Paper gets wet
Papel molhado

Paper and crayon change the result. Try and notice.

Papel e giz de cera mudam o resultado. Teste e observe.
