

Who's flying the rescue helicopter? Quem pilota o helicóptero?

Choose a surprise pilot. Invent the next rescue.

Escolha um piloto surpresa. Invente o próximo resgate.

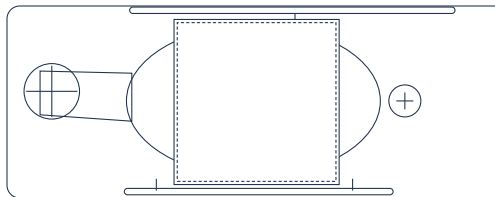

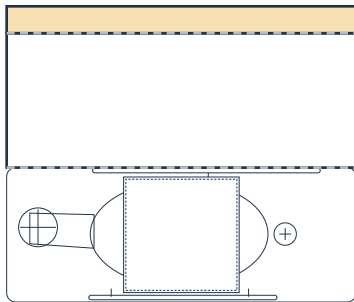

1. Adult cuts window + strip

1. Um adulto recorta janela e tira

2. Fold back. Glue ONLY the long tab.

2. Dobre atrás. Cole SÓ a aba longa.

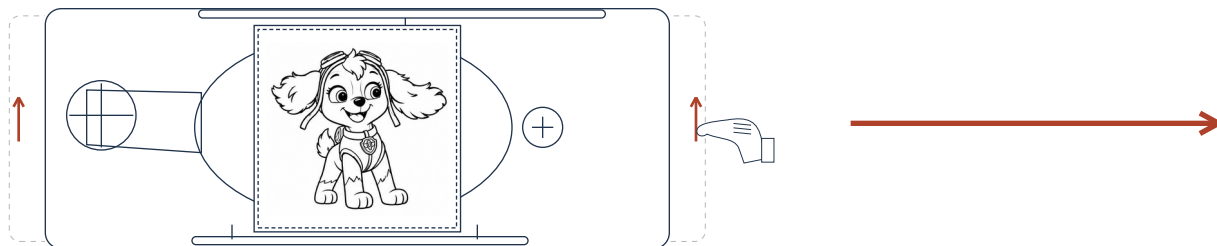

Glue / Cole

3. Slide. Reveal. Who will help?

3. Deslize. Revele. Quem ajuda?

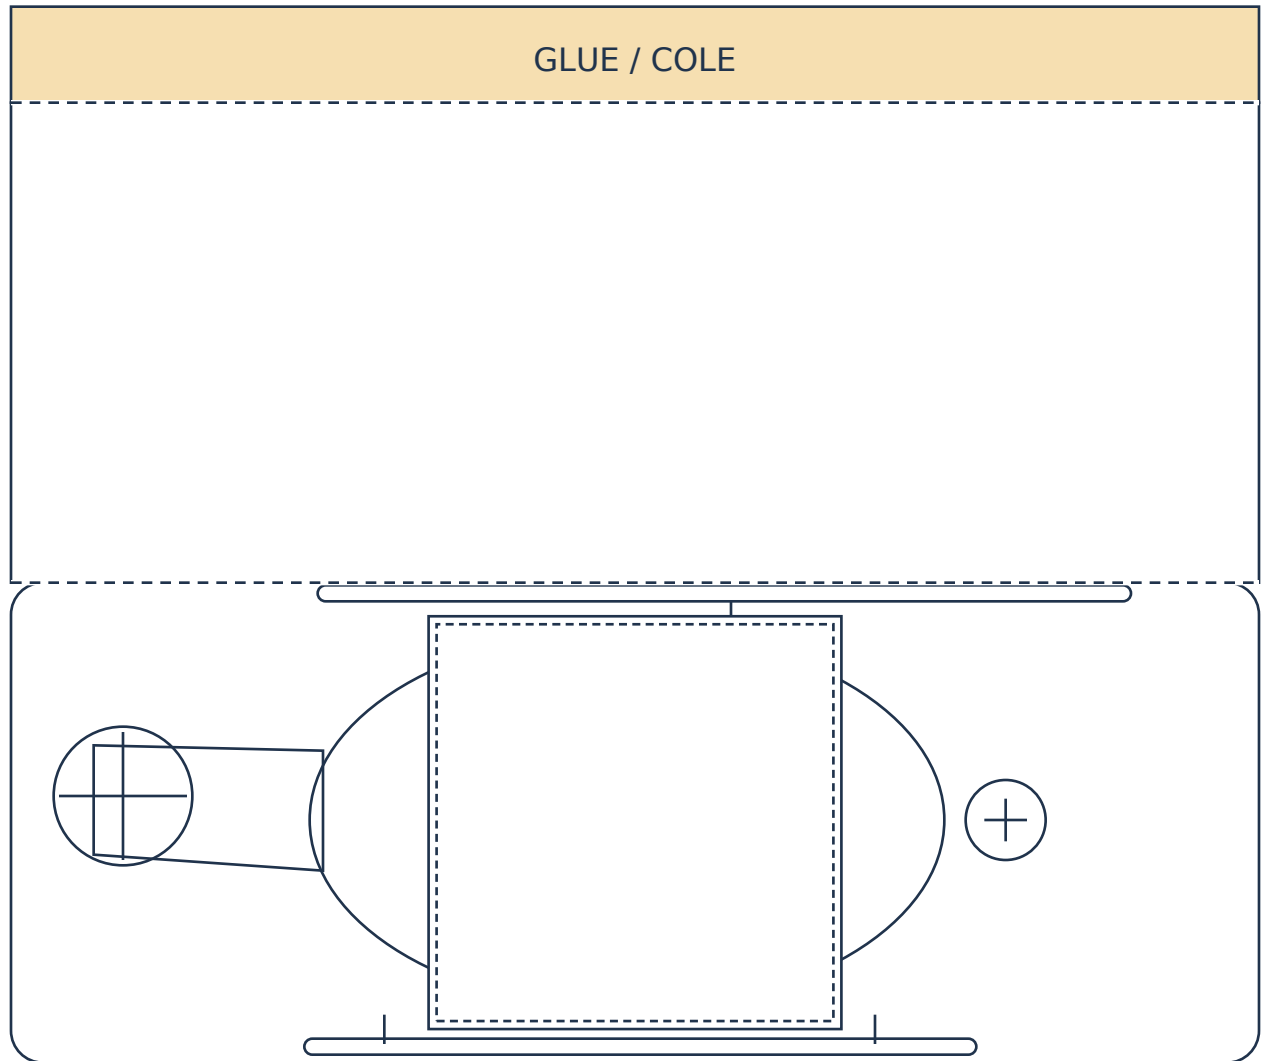

Leave BOTH ends open. Pull gently. Stop when a pilot fills the window.

Deixe AS DUAS pontas abertas. Puxe devagar até ver um piloto.

Helicopter window sleeve

Capa com janela do helicóptero

Adult cuts the window. Fold at the dashed lines.

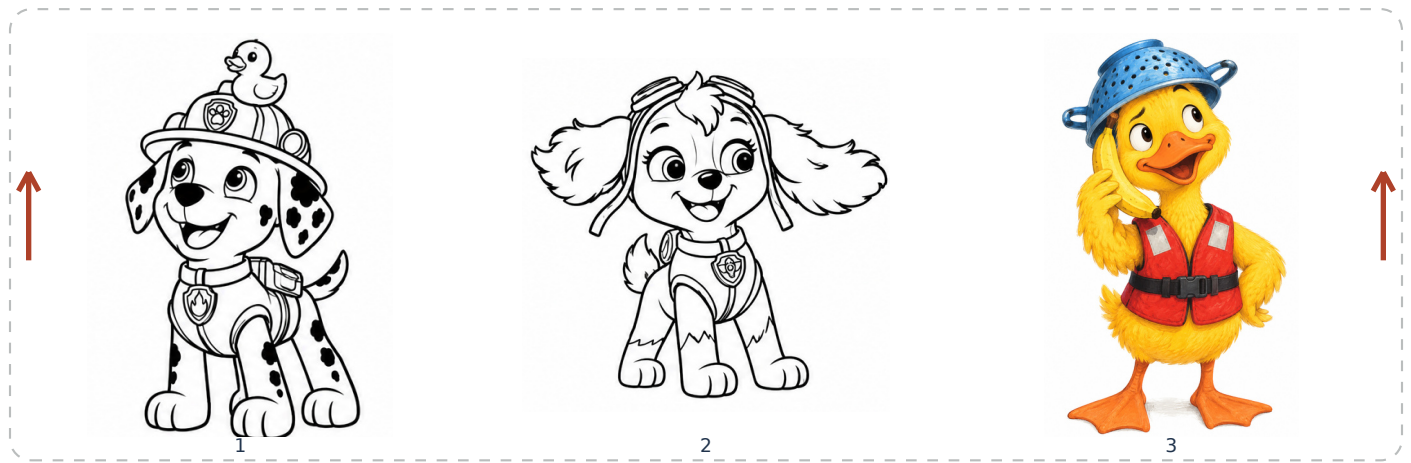

Um adulto recorta a janela. Dobre nas linhas pontilhadas.

Fold the blank back over. Glue the tab to the long front edge.

Dobre a parte vazia para trás. Cole a aba na borda longa.

Three surprise rescue pilots

Três pilotos surpresa para resgatar

Slide behind the window. Do NOT glue the strip.

Deslize atrás da janela. NÃO cole a tira.

Adult can start the slide. Child pulls and invents a mission.

Um adulto pode começar. A criança puxa e inventa uma missão.
