Little patient stories

Histórias de pacientes

Penguin would like a quiet rest.

Pinguim quer descansar tranquilo.

The sock-ear puppy wants a gentle check.

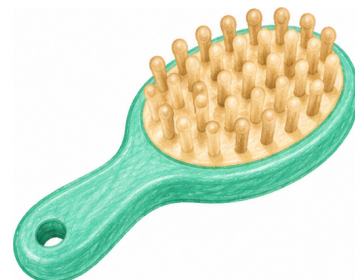

O cachorrinho de meia quer uma consulta tranquila.

One idea, not the only answer. Invent another.

Uma ideia, não a única. Invente outra.

Little patient stories

Histórias de pacientes

Giraffe asks for gentle grooming.

Girafa pede uma escovação suave.

Crocodile shows a very big smile.

Crocodilo mostra seu sorriso.

One idea, not the only answer. Invent another.

Uma ideia, não a única. Invente outra.

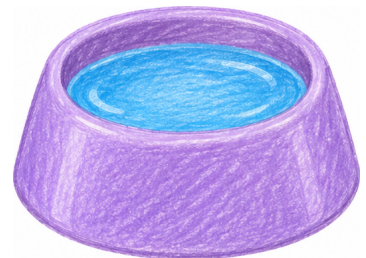

Little patient stories

Histórias de pacientes

Penguin wants you to listen first.

Pingüim quer que você escute primeiro.

Puppy asks for a drink and a friend.

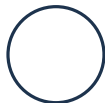

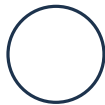

Cachorrinho pede água e companhia.

One idea, not the only answer. Invent another.

Uma ideia, não a única. Invente outra.

A picture checkup record

Minha consulta com figuras

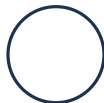

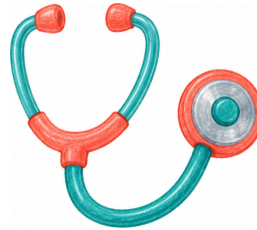

Point or mark what you tried. Add your own care.

Aponte ou marque o que tentou. Invente outro cuidado.

A picture checkup record

Minha consulta com figuras

Point or mark what you tried. Add your own care.

Aponte ou marque o que tentou. Invente outro cuidado.

What happens next?

O que acontece depois?

More rest
Mais descanso

Another look
Olhar de novo

Let's play!
Vamos brincar!

The child decides. No right or wrong ending.

A criança decide. Não há um final certo.

Invent a new patient story

Invente outra história

Draw, point or tell. What would help?

Desenhe, aponte ou conte. O que ajudaria?

Your care tray

Sua bandeja de cuidados
